OUR AIM FOR YOUR FUTURE

This course is not designed to turn you into a professional soloist dancer, but it will however improve skill set, strength, flexibility and most importantly confidence and self esteem when it comes to approaching dance in the industry. Our aim is to create a space that you are comfortable enough in to push yourself and cross those otherwise out of reach boundaries.
We do very much hope that everyone who becomes a part of CBS Dance walks away with more tools on their belt and a new sense of confidence for their ever developing career.
